Did you know that UC Davis leads five of our nation’s Feed the Future Innovation Labs, more than any other university, in the fight to end global poverty and hunger? Come hear presentations and a lively panel discussion about how UC Davis agricultural research and innovation is making a difference around the world, in partnership with the U.S. Agency for International Development. Hear from special guests Rob Bertram, USAID’s Chief Scientist for Food Security, and Tag Demment of APLU. Followed by optional tour of the Horticulture Innovation Lab Demonstration Center.

MONDAY
October 17
10:30 a.m. – 12:00 p.m.
UC Davis Conference Center, Ballroom C
